## PERA Board of Trustees

Board of  
Trustees

By state law, the management of the public employees' retirement funds are vested in PERA's Board of Trustees. In 2007, a phased restructuring of the 16-member Board of Trustees began as a result of legislation enacted in 2006. The Board downsized to 15 members by statutory elimination of the State Auditor ex-officio position effective January 1, 2007. In addition, on July 1, 2007, the number of member-elected Trustees was lowered to 11, by replacing three previously elected Trustees with three Governor-appointed Trustees approved by the Senate.

In addition to the three Governor-appointed Trustees, the Board will include the State Treasurer as an ex-officio member; four members from the School Division and three members from the State Division; one member from the Local Government Division; one Judicial Division member; and two PERA retirees. If a Board member resigns, a new member is appointed from the respective division until the next election.
